Join Rep Gordon Hintz for a Newsletter Drop

Hi Everyone,

I hope this finds you well. I am preparing for my hearing tomorrow on payday lending reform in Wisconsin, but wanted to ask you for your help in distributing my newsletter throughout the district. I am trying to drop the newsletter through the entire district by the end of October and have scheduled a newsletter drop for this Saturday beginning at 10am.

I know it is at the same time that Joe the Plumber will be speaking at Oshkosh's TEA Party, but figured we could all do something actually productive. It is a simple 2 sided legislative update that just needs to be left in every door. No lists, just maps, every house.

We are planning on meeting at Big Apple Bagels on Wisconsin Street by the University at 10am this Saturday.

Do you have a few hours to help? If we have enough people we can knock out several wards!

If you can't make it, but would not mind walking a few neighborhoods on your own dropping the newsletter, please let me know and we will drop off some letters and give you your neighborhood to do. Every little bit helps.

I have been really busy, but am determined to get this done, and need your help to do it.

Please let me know if you can help.

Thanks,

Gordon

UW-O College Democrats Report

Amy Gearhart, Chair of the U W Oshkosh College Democrats

This past week UWO hosted a very successful meet and greet. With many great guests in attendance, it really helped to solidify Oshkosh's position in college democrats as a real avenue for students to get involved. Mike Tate, Paula Zellner, Rich Mantz, Jef Hall, Mark Harris, Jessica King and Mike Norton rounded out our guests with a considerable number of students present. There was a lot of fun to be had and we are looking forward to making this an annual event.

Looking ahead...

Three members of UWO's college democrats will be traveling to Washington DC this weekend for the Equality March. Nick Janis, Travis Swanson, and Amy Gearhart will be in attendance for this great event. Besides the march, many meetings and rallies are also on the agenda.

Health Care Fact Check:

Attack: Health insurance reform will lead to rationing of care, with government bureaucrats getting between you and your doctor.

Reality Check: Health insurance reform will end rationing, not increase it.

- Here's the truth: rationing is already happening every day – insurance companies decide whether or not you get coverage. Health insurance reform will put an end to many of the practices that make it difficult for some Americans to get health care coverage today.
- Reform will prevent insurance companies from denying coverage based on a pre-existing condition or canceling someone's coverage when they get sick. It will ban annual and lifetime limits on coverage and prevent discrimination based on gender.
- President Obama has been very clear that he doesn't want government bureaucrats getting between you and your doctor. Well, he doesn't want insurance company bureaucrats getting between you and your doctor either.

Make your voices heard at the DPW's 2009 Lobby Day

The Democratic Party of Wisconsin is organizing an opportunity for you to meet face-to-face with your State Senator or State Assembly Representative as part of our 2009 Lobby Day.

This is your chance to discuss the State Party's Platform and Resolutions and to lobby on issues like jobs, health care, education and the environment.

Lobby Day will be held on Wednesday October 28th. We will organize at the DPW office, located at 110 King Street, Suite 203 between 9:30 and 9:45 AM. After a brief check-in and light breakfast we will head to the Capitol.

Each person attending will be responsible for setting up their own meetings with their elected officials. To ensure that you will be able to meet with your representative it is vital for you to contact your Senator or Representative before October 28th and set up a time to meet. For contact information on your elected representatives, please visit <http://www.legis.state.wi.us>.

We ask that you RSVP either via email or telephone by October 21st. Please send an RSVP to us at jasonr@wisdems.org or at 608-255-5172.

We understand that it is not possible for everyone to attend Lobby Day, and for that reason we have created an online form where you can record your name and the issue(s) you feel strongly about. Even if you can't come in person, your voice should still be heard.

Contact Jason Rae, DPW Membership Director, with any questions:

See you on October 28th!
